

2nd CONGRESS OF THE ASSOCIATION OF ENDOSCOPIC SURGEONS OF BOSNIA & HERZEGOVINA

2. KONGRES ENDOSKOPSKIH HIRURGA BOSNE I HERCEGOVINE

9th -11th September 2022 Sarajevo, Bosnia and Herzegovina

FINAL PROGRAM

2nd CONGRESS OF THE ASSOCIATION OF ENDOSCOPIC SURGEONS OF BOSNIA & HERZEGOVINA

2. KONGRES ENDOSKOPSKIH HIRURGA BOSNE I HERCEGOVINE

9th - 11th September 2022 Sarajevo, Bosnia and Herzegovina

Dear Colleagues,

It is my honor and pleasure to invite you to the Second Congress of the Association of Endoscopic Surgeons of Bosnia and Herzegovina (AESBH), which will be held from 9th to 11th September, 2022 at the Holiday Hotel, Sarajevo, under the auspices of the European Association of Endoscopic Surgeons.

The Association of Endoscopic Surgeons of Bosnia and Herzegovina was founded in 2018, and after a very successful congress in 2019, we began work to improve endoscopic surgery in Bosnia and Herzegovina.

We organized five workshops for our members, in Travnik, Foca, Bijeljina and Doboj, with the aim of developing new methods and techniques. The Covid-19 pandemic has partially slowed us down, as well as the whole of Europe, but we still see the results of our work.

In two hospitals, laparoscopic treatment of inguinal hernia has become standard, colorectal surgery, endoscopic thoracic surgery have been improved, and we have seen what videoscopic treatment of perianal fistulas is.

With the help of the EAES Forward Program, our members have undergone training in The Netherlands and Switzerland.

We also launched our journal, Southeast European Endosurgery, which will be promoted at the opening of the congress.

This second congress is confirmation of our direction, because progress can be seen in endoscopic surgery in Bosnia and Herzegovina.

With the help of our friends, invited lecturers, the congress is at an enviable level, and we hope that it will attract endoscopic surgeons from neighboring countries.

We invite you to our congress in Sarajevo, a city known for its beauty, a place where the traditional and the modern meet, a city and a country where cultural and religious diversity attracts visitors.

We hope you will be interested and come to our congress!

Samir Delibegovic
President of AESBH

The European Association for Endoscopic Surgery (EAES) commitment with the Association of Endoscopic Surgeons of Bosnia-Herzegovina

The world has been immersed in the pandemic for the two years since the first Congress of the Association of Endoscopic Surgeons of Bosnia and Herzegovina was held. In these difficult times, it has been necessary to adapt our paradigms related to training and education to new trends, where tele-mentoring and webinars and online conferences have played an important role in making communications more accessible due to the difficulties of travel and the need to be involved on the frontline battle against the coronavirus. Without a doubt, during these times we have learned that this form of teaching will continue to be an important pillar in the training of surgeons in the future.

As a result, we have an important challenge before us: to combine these new trends in education with the traditional training systems, which are necessary for interaction with leaders and mentors from all over the world, and to learn the technical and non-technical skills needed to become a good surgeon - skills that cannot be learned in front of the screen of your laptop or mobile device.

For these reasons, I am convinced that congresses are necessary since human interaction and face-to-face scientific discussions are basic tools for learning, teaching and discovering the new trends in surgery, and I am glad to see that the Association of Endoscopic Surgeons of Bosnia & Herzegovina is organizing a second meeting.

It is a real honor for me and the EAES to welcome you to the 2nd Congress of the Association of Endoscopic Surgery of Bosnia and Herzegovina, especially in these times when one of the main goals of EAES is to promote national societies and work together with them to improve endoscopic surgery in their countries. Our society will always try to support this type of initiative, in addition to wanting to thank the Bosnia-Herzegovina Society for all the work it has done to increase the number of EAES members in its country.

EAES wants to promote basic training in endoscopic surgery and, at the same time, provide innovation and technological advances to increase the effectiveness of our surgical procedures. The EAES will work to bring all the concepts associated with these revolutions in surgery to all corners of Europe, making them as accessible as possible and promoting training in these new ways of understanding surgery.

We will be able to achieve and promote a passion for endoscopic surgery and innovation by joining forces with local societies, which is today one of the basic principles and a commitment of the EAES.

*Salvador Morales-Conde
President of the EAES*

OPENING CEREMONY AND WELCOME

All delegates are cordially invited to enjoy the opening ceremony on Friday, 9th September at 19:30 in the Vijećnica (City Hall) in the old center of Sarajevo.

After the opening ceremony, you are invited to the dinner at the Vijećnica (City Hall).

Vijećnica (st. Obala Kulina Bana)

TIME AND VENUE

The First Congress of Endoscopic Surgeons of Bosnia and Herzegovina (AESBH) will be held in Sarajevo, Bosnia and Herzegovina, from Friday 9th to Sunday 11th September 2022. All scientific sessions and the commercial exhibition will be held at the Congress Center of the Holiday Hotel.

Hotel Holiday, Congress Center, st. Zmaja od Bosne 4, Sarajevo

REGISTRATION DESK

Friday 12:00-18:00
Saturday 08:00-18:00
Sunday 08:00-12:00

REGISTRATION OF PARTICIPANTS

CATEGORY	By 14.04.2022.	By 15.07.2022.	From 16.07.2022.
Active participant	50 Euros	75 Euros	125 Euros
Trainee	25 Euros	35 Euros	50 Euros

Registration is free for all Faculty of Medicine students

Payment of the registration fee must be made to the AESBH's bank account:

in local currency (BAM) Bank account: UniCredit banka, account number:
3384402215395365.

or

in Euros: Beneficiary: Udruzenje endoskopskih hirurga u BiH,
Tuzla, Bosnia and Herzegovina
IBAN: BA393384404815400146 SWIFT: UNCRBA 22

The registration fee includes:

- Admission to all scientific sessions
- Admission to the opening ceremony and welcome reception - Friday 9th September
- Admission to the exhibition
- Printed material (Program book)
- Congress bag
- Certificate of attendance
- Coffee breaks
- Lunch

Registration is free for all Faculty of Medicine students

Guidelines for Presentation

Ten minutes are allocated for oral presentations. Please do not overrun your time. Ten slides are usually enough! Discussion is planned at the end of the session.

Identification Badges

Name badges will be issued to all participants when they arrive at registration. Access to all scientific sessions will only be possible with your personal badge.

Certificate of Attendance

A certificate of attendance will be given to registered participants upon registration.

Map of the City showing the location of the Hotel Holiday

VENUE

Hotel Holiday, Congress Center
Zmaja od Bosne 4, 71000 Sarajevo
Bosnia and Herzegovina

All participants in the Congress will have 50% discount when reserving a room in the Hotel Holiday. When booking please state that you are participating in the “Second Congress of Endoscopic Surgeons of Bosnia and Herzegovina”

GETTING ABOUT

Accessibility

Airport: Sarajevo airport 8 km

Railway station: Sarajevo Railway station 1.5 km

Bus station: 0.7 km

Taxi: Approximate taxi cost from the airport to the Hotel is 20 Euros

How to get to the Hotel Holiday Congress Center

By bus and tram, no. 31E, 103

By taxi: The price of the drive from the Old City to the Hotel ranges from 2 to 5 Euros.

Shopping hours

Shops are usually open from 10:00 to 20:00, but close on Sundays. The currency is the Bosnian Mark (BAM). Credit cards and bank cards are in common use.

Banks and exchange

Most banks in Sarajevo are open from Monday to Saturday, from 8:00 to 17:00. The currency in Bosnia and Herzegovina is the Bosnian Mark (BAM).

Congress fees and rates are charged in BAM and Euro.

Pharmacies

Pharmacies are generally open daily from 08:00-20:00.

Restaurants and hot food

Most restaurants in the city center are open daily.

Time zone

GMT/UTC +1

Climate

The area of Sarajevo is under the influence of a mild continental climate with temperature in September ranging from 13 to 23 degrees Celsius.

Insurance/Liability

The Second Congress of Endoscopic Surgeons of Bosnia and Herzegovina accepts no liability for personal injuries sustained, loss or damage of property belonging to Congress Participants, either unrelated to or as a result of the congress.

The congress organizers are not able to take any responsibility whatsoever for injury or damage to persons or property during the congress.

SCIENTIFIC PROGRAM CORE CONGRESS

Friday 9th through
Sunday 11th September 2022

ESOPHAGEAL SURGERY

Chairmen: Igor Gavric, Zlatan Mehmedovic, Raymond Price

- 08:00-08:10** Minimally invasive esophagectomy, developments in the past 10 years in the Netherlands.
Camiel Rosman, Netherland. (*Zoom lecture*)
- 08:12-08:22** Holy plane to chest for esophageal cancer.
Amir Nizar, UK.
- 08:24-08:34** Laparoscopic management of paraesophageal hiatal hernias: where do we draw the line?
Valeriu Surlin, Daniel Preda, Marius Bică, Bogdan Ungureanu, Dragoş Mărgăritescu, Alexandru Gogănău, Mircea Ionescu, Alin Pătru, Romania
- 08:36-08:46** MiniScar Less (MSL) Laparoscopic Nissen's Fundoplication: Amir's modified repair.
Amir Nizar, UK.
- 08:48-08:58** Current and emerging therapies in gastric GIST.
Ştefan Pătraşcu, Silviu Bordu, Bogdan Ungureanu, Mircea Ionescu, Valeriu Şurlin, Romania.
- 09:00-09:10** Laparoscopic Nissen's Fundoplication in Bosnia and Herzegovina.
Nermin Musanovic, Bosnia and Herzegovina.
- 09:10-09:30** Discussion

GASTRIC SURGERY

Chairmen: Aleksandar Karamarkovic, Dusan Lesko, Zlatan Mehmedovic

- 09:30-09:40** D2 total, subtotal and proximal gastrectomy for gastric cancer: technique and results.
Marco Lirici, Italy.
- 09:42-09:52** Gastric cancer: comparison of robotic vs laparoscopic vs open surgery.
Orhan Alimoğlu, Turkey. (*Zoom lecture*)
- 09:54-10:04** Results of laparoscopic gastrectomies from high-volume specialized centre.
Tomaz Jagric, Slovenia.
- 10:06-10:16** Robotic (sub)total gastrectomy using da Vinci Xi platforme-experience and results of UMC Ljubljana.
Primoz Sever, Slovenia.
- 10:16-10:36** Discussion

COLORECTAL SURGERY I

Chairmen: Raymond Price, Milan Todorovic, Marko Zelic

- 10:36-10:46** The past, the present and the future of laparoscopic colorectal surgery.
Dursun Bugra, Turkey.
- 10:48-10:58** Laparoscopic, open, robotic and transanal TME: a comparative trial on the quality of surgical resection.
Marco Lirici, Italy.
- 11:00-11:10** Indocyanine green (ICG) in laparoscopic colorectal surgery.
Predrag Andrijevic, Malta. (*Zoom lecture*)
- 11:12-11:22** Laparoscopic colorectal complications and solutions.
Emre Balik, Turkey.
- 11:24-11:34** Complications in laparoscopic resection of left colon and rectum.
Enes Idrizovic, Ervin Matovic, Haris Kuralic. Bosnia and Herzegovina.
- 11:34-11:54** Discussion

COFFEE BREAK 12:00-12:30

MEET-THE-EXPERT SESSION

Chairmen: Kenan Karavdic, Ewelina Malanowska, Adnan Satrovic

- 12:30-12:40** The SAGES Guideline for the Diagnosis, Treatment, and Use of Laparoscopy for Surgical Problems During Pregnancy.
Raymond Price, USA.
- 12:42-12:52** New insights in gynecologic surgery. State for 2022.
Ewelina Malanowska, Poland.
- 12:54-13:04** The education options in EAES.
Popa Dorin, Sweden.
- 13:06-13:16** Why and how to achieve EAES UEMS MIS Diploma?
Marek Soltes, Slovakia.
- 13:16-13:26** Discussion

COLORECTAL SURGERY II

Chairmen: Emre Balik, Igor Krdzic, Adnan Satrovic

- 13:30-13:40** Oncological and functional Outcomes after T_aTME: Results of a Single Center.
Marko Zelic, Croatia.
- 13:42-13:52** Robotic and laparoscopic method in colorectal surgery.
Igor Cerni, Oliver Stefanovski, Slovenia.
- 13:54-14:04** Robotic colorectal programe at UMC Ljubljana.
Jan Grosek, Slovenia.
- 14:06-14:16** Right colectomy: is it difficult?
Popa Dorin, Sweden.
- 14:18-14:28** Laparoscopic colectomy for right colon cancer - D2 versus D3 lymphadenectomy.
Igor Krdzic, Serbia.

14:30-14:40 Video-Assisted Anal Fistula Treatment (VAAFT) for Complex Anal Fistula.
Damir Karlovic, Croatia.

14:42-15:15 Discussion

LUNCH BREAK 15:00 -16:00

LIVER, PANCREAS

Charimen: Igor Gavric, Zoran Milosevic, Nenad Lalovic

16:00-16:10 Current status of laparoscopic liver resection.
Ho-Seong Han, Korea.

16:12-16:22 200 laparoscopic liver resections: from implementation to standard procedures.
Arpad Ivanecz, Slovenia.

16:24-16:34 Laparoscopic management of primary and recurrent liver hydatid cyst.
Valeriu Surlin, Silviu Bordu, Daniel Preda, Dragoş Mărgăritescu, Alexandru Gogănău, Mircea Ionescu, Alin Pătru, Sandu Râmboiu, Daniela Marinescu, Romania.

16:36-16:46 The outcome of laparoscopic pancreatoduodenectomy is improved with patient selection and the learning curve.
Safi Dokmak, Béatrice Aussilhou, Fadhel Samir, Ftéliche Jeanne Dembinski, Chihebeddine Romdhani, Alain Sauvanet, France.

16:48-16:58 Our technique of dumping pancreaticojejunostomy after laparoscopic Whipple procedure.
Gurbankhan Muslumov, Aliyeva Gunay, Azerbaijan.

17:00-17:10 Laparoscopic resection of retrocaval Schwannoma.
Dusan Lesko, Slovakia.

17:12-17:42 Discussion

EMERGENCY SURGERY

Charimen: Samir Custovic, Amila Husic, Raymond Price

- 17:44-17:54** Learning curve in laparoscopic apendectomy.
Ante Jerkovic, Croatia.
- 17:56-18:06** Tissue reaction and the formation of adhesion after the use of DS clip in laparoscopic appendectomy.
Amela Bajric, Mujo Sivic, Ajla Bajric, Bosnia and Herzegovina.
- 18:08-18:18** A new approach to laparoscopic appendectomy-clipless/sutureless Harmonic scalpel laparoscopic appendectomy.
Zenon Pogorelic, Croatia.
- 18:20-18:32** Acute cholecystitis - to drain or not to drain?
Marek Soltes, Slovakia.
- 18:34-18:44** Risk factors for conversion from laparoscopic to open cholecystectomy in open surgery.
Bakir Helic, Bosnia and Herzegovina.
- 18:46-18:56** Early laparoscopic cholecystectomy before and during Covid-19 pandemic: strategy and outcomes.
Zoran Matkovic, Milos Stjepanovic, Jovica Misic. Bosnia and Herzegovina.
- 19:00-19:30** Discussion

Hall 2

PEDIATRIC SURGERY I

Chairmen: Jürgen Schleef, Zoran Bahtijarevic, Zenon Pogorelic

- 08:00-08:10** Pediatric endoscopic surgery - lessons learned in 30 years.
Jürgen Schleef, Italy.
- 08:12-08:22** GERD -state of the art.
Zoran Bahtijarevic, Croatia.

- 08:24-08:34** Laparoscopic treatment of achalasia.
Zoran Bahtijarevic, Croatia.
- 08:36-08:46** The safety and effectiveness of laparoscopic pyloromyotomy for the treatment of hypertrophic pyloric stenosis in infants.
Zenon Pogorelic, Croatia.
- 08:48-08:58** Laparoscopic surgery in pediatric. Experience from a single center
Emir Rahmanovic, Amir Halilbasic, Nesad Hotic, Edin Husaric,
Elvira Konjic, Sanimir Suljendic, Denis Zigic, Bosnia and Herzegovina.
- 09:00-09:10** Laparoscopic treatment of discontinuous type splenogonadal fusion-case report. Asmir Jonuzi, Zlatan Zvizdic, Nusret Popovic, Kenan Karavdic, Emir Milisic, Bosnia and Herzegovina.
- 09:10-09:40** Discussion

PEDIATRIC SURGERY II

Chairmen: Jürgen Schleef, Emir Haxhija, Kenan Karavdic

- 09:40-09:50** Pediatric minimal invasive surgery - from basics to the future.
Jürgen Schleef, Italy.
- 09:52-10:02** Laparoscopic-assisted pull-through for Hirschsprung's disease.
Emir Haxhija, Austria.
- 10:04-10:14** Laparoscopic cholecystectomy in children - experiences and results of the Clinic for Pediatric Surgery KCU Sarajevo.
Nadzida Dziho, Kenan Karavdic, Bosnia and Herzegovina.
- 10:16-10:26** Laparoscopic appendectomy - experiences of the Clinic for Pediatric Surgery KCU Sarajevo.
Alena Firdus, Kenan Karavdic, Bosnia and Herzegovina.
- 10:28-10:38** The use of Hem-o-lok clips for the closure of appendicular stumps in laparoscopic appendectomy.
Azur Jakic, Anhel Koluh, Amor Mulahalilovic, Adisa Sabanovic-Adilovic, Bosnia and Herzegovina.

- 10:40-10:50** Laparoscopy in the treatment of complicated pediatric appendicitis - dilemmas if they still exist.
Kenan Karavdic, Bosnia and Herzegovina.
- 10:52-11:02** Minimal invasive reparation of inguinal hernia in Children (PIRS)
Experience from a single center.
Emir Rahmanovic, Amir Halilbasic , Nesad Hotic , Edin Husaric,
Elvira Konjic, Sanimir Suljendic, Denis Zigic, Bosnia and Herzegovina.
- 11:02-11:32** Discussion

COFFEE BREAK 12:00-12:30

THORACIC ENDOSCOPIC SURGERY

Chairmen: Alma Alihodzic-Pasalic, Alen Pilav

- 12:30-12:40** The role of simulations in video-assisted thoracic surgery.
Tomaz Stupnik, Slovenia.
- 12:42-12:52** Analysis and prevention of major intraoperative complications during VATS surgery.
Nebojsa Maric, Serbia.
- 12:54-13:04** Endoluminal vacuum-assisted closure (Endo-VAC)
of postoperative esophageal fistulas.
Boris Greif, Slovenia.
- 13:06-13:16** VATS lung-sparing resection of the right
main bronchus – report of two cases.
Bogdan Vidmar, Slovenia
- 13:18-13:28** Uniportal VATS approach in complex lung resection surgery.
Marko Kantar, Bosnia and Herzegovina.

- 13:30-13:40** Surgical treatment of early-stage non-small lung cancer (NSLC).
Milan Savic, Serbia.
- 13:42-13:52** Uniportal VATS lobectomy, from introduction to standard.
Nermin Musanovic, Bosnia and Herzegovina.
- 13:54-14:04** Minimally invasive cardiac surgery in Clinical Center University of Sarajevo.
Nermin Granov, Ilirija Haxhibeqiri Karabdic, Haris Vila, Alen Karic, Bedrudin Banjanovic, Bosnia and Herzegovina.
- 14:06-14:16** The latest technologies in surgery. Medtronic lecture.
- 14:18-14:46** Discussion

LUNCH BREAK 15:00-16:00

HERNIA SURGERY

Chairmen: Samir Custovic, Jovica Misis, Marek Soltes

- 16:00-16:10** "Tips of TEP".
Yujin Kwon, Korea.
- 16:12-16:22** "Tips of TAPP".
Amila Hasic, Bosna and Herzegovina.
- 16:24-16:34** Comparative analysis of TEP/TAPP hernioplasty results.
Radenko Koprivica, Sanjanin Perišić, Bogdan Miku-Deak, Slovenia.
- 16:36-16:46** E-TEP in ventral and incisional hernia repair - our experiences.
Bojan Radovanovic, Milan Mirkovic, Serbia.
- 16:48-16:58** Laparoscopic hernia surgery international workshops
program – experience after four years.
Radenko Koprivica, Sanjanin Perisic, Bogdan Miku-Deak, Slovenia.
- 17:00-17:20** Discussion

VIDEO PRESENTATION

Chairmen: Elvir Besic, Igor Gavric, Dusan Lesko

- 17:20-17:30** Laparoscopic Management of Cholecystogastric Fistula.
Fatih Buyuker, Mehmet Sait Ozsoy, Dogac Demir, Medeni Sermet, Ozgur Ekinci, Orhan Alimoglu. Turkey.
- 17:32-17:42** A Case of Spiegelian Hernia.
Mehmet Sait Ozsoy, Furkan Kilic, Cem Ilgin Erol, Hakan Baysal, Ismail Okan, Orhan Alimoglu. Turkey.
- 17:52-18:02** Laparoscopic cholecystectomy for porcelain gallbladder.
Marek Soltes, Slovakia.
- 18:04-18:14** Laparoscopic Left Hemicolectomy.
Alkurt Ertugrul Gazi, Canan Kaan, Turkey.
- 18:16-18:26** Laparoscopic Sleeve Gastrectomy.
Alkurt Ertugrul Gazi, Canan Kaan, Tutan M. Berksun, Sahin Fatih, Sahiner I. Tayfun, Ozer M. Tahir, Turkey.
- 18:28-18:38** Laparoscopic approach pitfalls in treatment .
of epiphrenic/pulsion/diverticula.
Amir Ibukic, Croatia.
- 18:40-18:50** Early VATS for Blunt Chest Trauma.
Alen Pilav, Alma Alihodzic-Pasalic, Ademir Hadzismajilovic, Ilijaz Pilav, Orhan Custovic, Meho Dapcevic, Bosnia and Herzegovina.
- 18:52-19:15** Discussion

September 10, 2022.

Hall 3

STUDENTS SESION

Chairmen: Marko Lirici, Amir Nizar, Dorin Popa

12:30-14:00 Free topics.

PEDIATRIC THORACIC ENDOSCOPIC SURGERY

Chairmen: Emir Haxhija, Jürgen Schleef, Ilijaz Pilav

- 09:00-09:10** Thorascopic mini - invasive approach in pediatrics.
Jürgen Schleef, Italy.
- 09:12-09:22** Thorascopic treatment of pulmonary bullae.
Emir Haxhija, Austria.
- 09:24-09:34** Minimally invasive modified Nuss procedure for repair of pectus excavatum in pediatric patients: Single-centre retrospective observational study.
Miro Jukic, Croatia.
- 09:36-09:46** Anesthetic approach to a child with Late-Recognized Left Side Congenital Diaphragmatic hernia treated with VATS method.
Amira Mesic, Kenan Karavdic, Samir Muhovic, Asmir Jonuzi, Lejla Altumbabic, Verica Misvanovic, Ermina Sitnic-Milanovic, Bosnia and Herzegovina.
- 09:48-09:58** Uniport VATS metastasectomy of the right lower lung lobe.
Orhan Custovic, Ilijaz Pilav, Kenan Karavdic, Bosnia and Herzegovina.
- 10:00-10:20** Discussion

PEDIATRIC ENDOSCOPIC UROLOGY SESSION IV

Chairmen: Kerem Özel, Predrag Ilic, Josip Perkovic

- 10:20-10:30** Laparoscopic surgery in pediatric urology: Lessons learned during initial five years in a tertiary referral center".
Kerem Özel, Arzu Canmemiş, Burhan Aksu, Türkiye.
- 10:32-10:42** Balloon dilatation as a treatment option for obstructive megareter
Predrag Ilic, Serbia.

- 10:44-10:54** Endoscopic urologic surgery in children: Common indications and outcome from clinical perspective.
Kerem Özel, Arzu Canmemiş, Türkiye.
- 10:56-11:06** The role of (mini) Endoscopic Combined Intrarenal Surgery (ECIRS) in renal stones management.
Josip Perkovic, Oliver Pavlovic, Croatia.
- 11:08-11:18** Laser endoscopic lithotripsy - current surgical option for urolithiasis in children.
Predrag Ilic, Serbia.
- 11:20-11:30** Stage traction orchidopexy (Shehata procedure) in the treatment of non palpable testis - initial encouraging experiences.
Kenan Karavdic, Bosnia and Herzegovina.
- 11:32-12:00** Discussion

CLOSING CEREMONY AND COFFEE BREAK 12:00-12:30

- 12:30-13:30** General Assembly of the AESBH
